

CAROLYN & JOAN NEED YOU THIS MOTHER'S DAY

These mothers sacrificed for their children so they could have the brightest futures possible.

THEN THE UNEXPECTED HAPPENED...

Carolyn fell at school while teaching and the injuries forced her to retire much earlier than she planned.

A widow of 16 years, Joan never dreamed she would live to see her 90's and has now exhausted her financial resources.

(L to R): Carolyn Webb & Joan Mayer - Wesley Woods Residents

Every year, more and more older adults outlive their financial resources and may face homelessness. It's only with the continued generosity of United Methodists to the annual Mother's Day Offering, that Wesley Woods' seniors can stay in what has become their home. With you, they experience lives full of grace, dignity and purpose.

"As a mother comforts her child, so will I comfort you; and you will be comforted over Jerusalem." Isaiah 66:13
